Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Paipitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Ridneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the torpid

Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. FOR SKINDISEASES, Eruptions. Tetter, Salt Rheum, Biotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas. Itch. Scurfs, Discolorations of the Skin. Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince; the most incredulous of their curative effects. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and slaggish in the veins; cleanse it when it is foul, and

your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased hamors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters. J. WALKER, Proprietor. R. H. McDONALD & CO.,
